Latest Modules Enhancements

1 **Enhanced Login Security – Authentication**

2 **Smarter Cost Center Management**

3 **Expanded Tax Compliance**
Saudi Arabia & Egypt

1 Enhanced Login Security

What's NEW

Two-Factor Authentication (2FA)

ATMIT ERP now supports **Double Factor Authentication** when logging in:

OTP via Email – included by default

OTP via WhatsApp or SMS – available as a **paid add-on** for extra flexibility

Contact Us

To activate this feature, please send a request email from your company to **info@atmit.net**

2 Smarter Cost Center Management

What's NEW

Gain deeper insights into your project expenses with an **added cost center layer,** this means more filtration and more efficiency in calculating costs.

Assign **transaction fees** to specific client/supplier to be able to assess costs separately not as whole project.

Enjoy this new features across all modules:
- **Sales**
- **Purchase**
- **Accounting**
- **Warehouse Management**

Why This Matters

This improvement helps you achieve:
more precise cost tracking & **better decision-making**.

3 Expanded Tax Compliance

What's NEW

ATMIT ERP now meets the latest regulatory requirements

**Saudi Arabia** Full compliance with **ZATCA** (Zakat, Tax & Customs Authority) standards

**Egypt** Compliance with the withholding system under the Income Tax Law No. 91 of 2005

Why This Matters

Stay up-to-date and keeping pace with local tax regulations effortlessly and integrating them seamlessly.
